

## **APPENDIX**

### **Appendix A**

1. Which gender are you?

Femenine

Masculine

2. What is your age?

3. Have you been part of an entrepreneurship project?

An entrepreneurship project is understood as a business proposal. In this case, be it if you've only planned it or if you've taken it to terms.

Yes

No (if the answer is no, they are taken to question 5)

4. What was your project?

Please state in a few words what your project was about. For instance: a themed restaurant, a mobile application, a food product, etc.

5. Would you like to start an entrepreneurship project?

Yes

No (if the answer is no, they have finished the survey)

6. What type of business would you like to start?

Please state in a few words what the project would be. For instance: a themed restaurant, a mobile application, a food product, etc.

### **Appendix B**

Name:

Gender:

Age:

Could you tell me three words you associate with entrepreneurship?

What do you think it takes to be a successful entrepreneur?

Would you like to start a business in the future? Why (be it yes or no)?

(If the answer to the previous question was affirmative) What is your business proposal, and where did this idea come from?

Which barriers do you find to start a business?

In most countries there are more male than female entrepreneurs, to what do you attribute this situation?

Does it seem to you that in Colombia entrepreneurship is more associated to a gender than to the other?

Could you tell me why you consider it to be so?

Do you think that because of your gender you have certain advantages or disadvantages to start a company? Could you elaborate on them?
